

OUR LADY OF THE MEADOWS (OLM) PARISH

Bible Study Focus

The ascension of Jesus is an integral piece of the doctrine of the resurrection. The passion, death, resurrection and ascension were always considered a single entity. This reality is the fullness of the paschal mystery. Over the years, how we celebrate this feast has taken on different meanings. Come explore the history of this feast and its significance in the lectionary of the church. Join us Thursday at noon or 7:00 p.m. It is sure to be a faith changing experience.
